### How An Engineer Keeps Well.

Railroad engineers are more exposed to catching cold than other workers. E. G. Dunham, of Monette, Mo., has run a Foster engine 25 years and all the medicine he has taken is Foley's Honey and Tar. He writes: "I always keep it in my house and recommend it to all who have a bad cold or cough." Jos. A. Mehlinger adv.

### Tailor Says, "Most Delightful."

Most tailors suffer from constipation. G. W. Roberson, Wichita Falls, Tex., says: "I find Foley Cathartic Tablets the most delightful, cleansing cathartic I have ever taken. They keep the stomach sweet and liver active, and drive away biliousness, bloating, headache, dizziness and other results of clogged bowels." Jos. A. Mehlinger adv.

### A Mathematical Problem.

There is a man who figures that he is 20,088 days old and that he has ate 60,264 meals; that in that time he has boarded children 31,413 days and gave them 94,239 meals. If his children want to paying him off in kind how old would he be when they had canceled the obligation?—Exchange.

### HOW TO BE EFFICIENT.

Nothing saps the vitality like kidney trouble. It causes backache, headache, stiff joints, sore muscles, "always tired" feeling, rheumatism and other ills. To be efficient, you must be healthy. Foley Kidney Pills strengthen the kidneys, help them do their work of filtering out from the system the waste matter that causes the trouble. At Jos. A. Mehlinger adv.

Fuchs and Hoffman started their new creamery on W. 8th St. last Tuesday and are now in complete running order. They are using electric power.

### Two Children Had Croup.

The two children of J. W. Nix, Cleveland, Ga., had croup. He writes: "Both got so choked up they could hardly breathe. I gave them Foley's Honey and Tar and nothing else and it completely cured them." Contains no opiates. Cuts the phlegm; opens air passages. Jos. A. Mehlinger adv.

Word has been received from the advance agent for the Minstrel show that owing to the recent flood the company will be unable to fill the engagement on the 31 of October, but will be here without fail on the first Sunday of November. We are glad to make this announcement as many requests have been made since the last issue of this paper to postpone the entertainment on account of Hallow Eve. Undoubtedly the requesters, although far from being superstitious, feared that their absence from home might lend an splendid opportunity to the goblins to do mischievous work. Further the postponing also affords the would be goblins a chance to see and hear the niggers. Do not forget the date November 6th. Tickets will be on sale Sunday.

### LIFE IS WHAT YOU MAKE IT.

To the preacher life's a sermon,  
To the joker it's a jest;  
To the miser life is money,  
To the loafer life is rest.

To the lawyer life's a trial;  
To the poet life's a song,  
To the doctor life's a patient;  
That needs treatment right along.

To the soldier life's a battle,  
To the teacher life's a school;  
Lif's a good thing to the grafter,  
It's a failure to the fool.

To the man upon the engine  
Life's a long and heavy grade;  
It's a gamble to the gambler,  
To the merchant life is trade.

Life's a picture to the artist;  
To the rascal life's a fraud;  
Life perhaps is but a burden  
To the man beneath the sod.

Life is lovely to the lover;  
To the player life is play;  
Life may be a load of trouble  
To the man on the dry.

Life is but a long vacation  
To the man who loves his work.  
Life's an everlasting effort  
To shun duty to the shirk.

To the heaven blest romancer,  
Life's a story ever new;  
Life is what we make it—  
Brother, what is life to you?

### The Newspaper Law.

There is no longer any reason why any person should be an unwilling subscriber to a newspaper.

On the refusal of a subscriber to take a newspaper from the post office, the postmaster is required, under the postal laws, to return the same to the publisher. You are no doubt aware that a person who continues to accept a paper sent him through the mail is liable for the subscription price, regardless of the fact that he never subscribed for it or that he has ordered it stopped. So held by the supreme court of Iowa (103 Iowa 681); by the supreme court of New Hampshire (44 N. H. 115); by the supreme court of Delaware (3 Harr. 379); by the supreme court of Wisconsin (78 Wis. 176). See Amer. and Eng. Enc. of Law (2 Edit., P. 130). This is the law generally.
